ALUMNI CHAPTER

WHAT IS AN ALUMNI CHAPTER?

An Alumni Chapter is an organised group of LKYSPP alumni that represents the interests of all alumni in a particular region. This region can be a country, a city (e.g. Shanghai), or a sub-continent (e.g. Central Asia & the Caucasus). To set up an Alumni Chapter, there should be at least 20 alumni who are from or based in the defined region and a dedicated Committee to run the Chapter.

EXPECTATIONS OF AN ALUMNI CHAPTER

- Create a vibrant alumni network through reunions, talks, and community service to further the mission of the School
- Maintain alumni database, in accordance with the respective laws, and provide the School with updated information and contact details of our alumni
- Connect with and encourage fellow LKYSPP alumni living in the Chapter's region to develop closer ties with the School
- Offer advice to alumni who are looking to relocate to the Chapter's region.
- Act as a liaison between alumni in the region and the School
- Update the Alumni Relations team on the Chapter's activities and communicate the latest developments of the School to the alumni
- Provide support for current and incoming students for mentoring, professional development or student recruitment
- Support NUS in realising its vision to be a global university centred in Asia
- Fully comply with NUS and LKYSPP branding

TERM LIMITS

Alumni Chapter Committee members serve for two years, with the possibility of extending for another two years. Chapter Presidents can serve for no more than two terms (i.e. maximum four years).

ELECTIONS

The President of an Alumni Chapter Committee will be elected by Chapter members. The elected President will then form the rest of the Chapter Committee. Chapter members have the right to run for office, nominate other members and vote for candidates.

SUCCESSION PLANNING

For the long-term health of an Alumni Chapter, it is absolutely vital that its Chapter Committee pay significant attention to succession management. Searching for the next team should be the first and last job of every Committee member.

It is beneficial to the Committee if new appointments are staggered where possible, to ensure an element of continuity and experience of the Committee.

Without the willingness of volunteers, the network of Alumni Chapters would not exist. It is therefore important for a chapter to keep seeking new volunteers, and encouraging them to become involved in their community.

FUNDING

- Request immediate adjustments and/or changes to re-align with NUS' and LKYSPP's missions and goals;
