# How It Works

# Barriers to sharing

- Unfamiliarity with P2P services
- Fears & ambiguities in renting of personal items
- Fear of tax obligations

# Barriers to sharing: Profile of users (Renters)

## Profiling of Local Renters

- Working adults (Professionals, Managers, Executives, Technicians)
- Males rent higher value items than females
- Females rent for a longer period than males

## Age

100% of total sessions

## Profiling of Foreign Renters

- Event Organizers (UK & Australia)
- Expatriates (US & India)
- High rental value in a single transaction
- Willing to pay extra for transportation

# How to encourage new participants in the sharing economy?
