

Inclusive Business Incubator

Business for All

Future-Ready Society Conference, 2023

A close-up photograph of a person's hands, one holding a pen and the other resting on a table, as if they are drawing or writing. The background is blurred, showing some bokeh lights. The image is partially covered by a blue vertical bar on the right side.

The Question

Can we create business incubators that serve the underserved

Mission:

- Assess the viability of such an Incubator
- Create and Prototype the Incubator

The “disadvantaged”

- Persons with Disabilities
- Families with incarcerated members
- Ex-offenders
- Single mothers

The Talk

Home-based businesses an important source of income for many families: President Halimah

Coronavirus: Singapore's home-based food businesses hit hard by circuit breaker measures

- Singapore introduced strict measures to curb the spread of Covid-19, including limiting business activities and restricting movement
- But this is affecting many entrepreneurs who work from home, especially over Ramadan and the Hari Raya Puasa festival

Problem Solver

A close-up photograph of a person's hands working on a wooden surface, possibly a table or desk. The hands are positioned as if they are about to use a tool, possibly a pencil or a small saw. The background is blurred, showing what appears to be a workshop or a similar environment. The lighting is soft, and the overall tone is warm and focused.

The Goal

A Sustainable Business
Incubator for Families in
need
