# SINGAPORE MINSTREL

"real, even-handed journalism" - The Straits Times

"If one sees this film as Xi Jie's ode to her partner, then it must be one of the most romantic things anyone has done." - SINDie

"A film created with so much love, honesty and childlike curiosity; quite possibly one of the best contemporary Singaporean films ever made." - Viknesh Kobinathan, film programmer, The Projector

“Love is space. It is developing our own capacity for spaciousness within ourselves to allow others to be as they are. That is love...It’s bigness. It’s allowance. It’s flexibility.”

-Reverend Angel Kyodo Williams
