# Transition

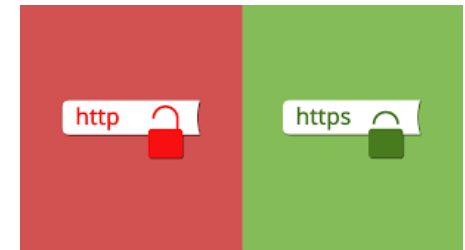

# Moving on..

- Feel & Look of the site
  - Improving User interface and experience
- Stability of site
- Security
  - Encryption on sensitive page - e.g login
    - Purchase of security certification
- Manpower for managing site
  - Content moderator
  - Support/enhancement for website

# Cost of using platform

Item	Cost (SGD)
Hosting server *	20 – 26 /month
SSL certificate **	80 – 420 /year

\*Cost is not fix and is sorely depend on the usage per month

\*\* Price is based on the type of certificate you choose
