**Tribute to Dr Yong Pung How**

We are deeply saddened by the passing of Dr Yong Pung How. He was the founding Chairman of our Board of Governors.

He helped set up the Institute in 1988, laying a strong foundation for its further development over the next three decades. He stepped down in 1989 when he was appointed a judge of the Supreme Court.

Our deepest condolences to the family of Dr Yong from all of us at IPS.
