

Young Leaders and Changemakers Summer Camp

The Young Leaders and Changemakers Summer Camp (YLCSC) is a five-day immersive programme designed to empower youth with the knowledge, skills, and mindset to become effective change agents in their communities. Participants will gain understanding of public policy principles and challenges, and gain insights on public leadership and policy innovation.

Throughout the 5-day programme, participants will be engaged in interactive workshops, hands-on activities, and dialogues with experts. The programme culminates in a capstone project where participants present innovative policy solutions to real-world challenges.

WHO SHOULD COME

- Post Secondary School/Tertiary Students
- Aspiring youth leaders and changemakers interested in public policy, governance, or social innovation.

WHAT YOU WILL GAIN

- Understand the fundamentals of public policy, including formulation, assessment, implementation, and communication.
- Develop critical thinking and problem-solving skills to address complex policy issues.
- Enhance leadership abilities and foster resilience through experiential activities.
- Gain practical experience in policy innovation through labs and group projects.
- Cultivate networking and collaboration skills by working in diverse teams to develop and present capstone projects.

Examine youth's role in shaping societal futures through workshops and dialogues.

Design and evaluate creative solutions to policy challenges through hands-on lab experiences.

Build teamwork and professional connections through projects and networking.
